Dear Abby:

Irv Drasnin is an old friend of mine. He's a first rate, sensitive, and responsible TV journalist, long interested in China.

He's in China to do a documentary.

I've given him your telephone number and encourage you to meet with him for an off-camera, private interview, to be used for his background, with no quotations. He's eager to get your ideas and thoughts about how he should go about covering the local scene.

Warm regards,

Mike/es
